LEONARDO / ERASMUS PROGRAM
student experience
internship
assistant director

The ABA ART LAB Internship program is an opportunity for European undergraduate and postgraduate students to live and work in Palma de Mallorca, and experience life in the world's most authentic Mediterranean Island.

ABA ART LAB is aimed at strengthening relations between Mallorca and the World engaging young students as Future art curators and Citizens.

Students must be available to undertake this Internship at least for 6 to 9 months.

Applications must demonstrate your interest, skills and expertise to undertake this Internship.

host profile

ABA ART LAB was founded in September 2004 by the Bordoy twin sisters. It started as a local Palma de Mallorca emergent contemporary art gallery and it evolved into a *global* site specific art production company. All this obviously, without giving up its own exhibition spaces, now called ABA ART LAB project rooms.

The ABA ART LAB Internship Program is a personal and professional development opportunity. ABA ART LAB brings together top contemporary artists and professionals in their field, with several years of professional work experience to new partners or graduates who are looking to get quality professional experience.

internship profile

An assistant director will be responsible for attending and assisting to opening hours at the gallery, check the postbox e-mail, pick up the telephone and take notes of visitors, take care of the office, and assist in organizing upcoming exhibitions (press release, pricelist, mailing, newsletter).
