Benefits

See website for details of all ESPA benefits. For all internships over 6 months, additional benefits will be paid. Details available at interview.

Role

This is a fantastic opportunity for a law student to gain invaluable practical experience within the in-house legal department of an international company which operates in the EMEA (Europe, Middle East and Africa) markets. Mentored by the Head of Legal and liaising with the EMEA HR Director, you will be working daily on the legal aspects of the company. This is a great chance to experience and develop legal knowledge within an international leader in its field, a great addition to your CV and boost to your career aspirations.

Tasks

- Undertake autonomously legal researches and analysis into labour and business law
- Providing legal support for all European departments
- Help writing legal paperwork relating to HR support and functions
- Preparation of Integration Resource Plan (IRP) meetings
- Translate legal documents from your mother tongue into English

Desired Skills

- A desire to have a successful career in a law firm or in a legal department and obtain the means to succeed
- Loyal, reliable, proactive, rigorous and self-motivated
- A good team player
- Act on feedback for continuous improvement
- You can relate well with people and you have the technical abilities to analyse a lot of information and present them in a concise and accurate manner
- Work experience in the legal field would be advantageous

Good to have

- Data protection law or currently studying
